# PART TIME SCHOOL CHAPLAIN

Applications are invited for this important role as the Chaplain is a key pastoral figure in the school in promoting Christian values and leading the spiritual development of pupils and staff in line with the Queen Mary's School ethos. The Chaplaincy spans the entire age range and includes the wider school community.

Queen Mary's aims to bring out the very best in everyone. A Woodard education champions child-centred, holistic learning, paying particular attention to the development of the whole person: spiritually, morally, culturally, academically, aesthetically and physically. This means that education begins at the point of the child's needs and places a high value on developing self-respect and self-esteem.

Every child is valued for who they are and encouraged to give their very best.
