Owned by the Woodard Corporation, Queen Mary's School is an all girls' independent boarding and day school situated in beautiful countryside, between Ripon and Thirsk. Junction 49 of the A1 is about 2 miles away. Founded in 1925, the school was originally situated at Duncombe Park, but moved to its present site in 1985. Baldersby Park, the school's current home, is a Grade 1 listed building surrounded by 40 acres of landscaped grounds, sports fields and paddocks.

We have a co-ed nursery and pre-prep department (currently one form entry in each year group) but the main school is for girls only and spans the age range 7 to 16. While we prepare a few girls for Common Entrance at 11, 12 and 13+, most girls stay on and study for their GCSE examinations with us, before moving to new schools and colleges for the sixth form.

The School has a strong boarding tradition, and we have an increasing number of day girls and those who board one or two nights each week. Many of the girls who travel to school daily use the school minibus service. The School has a unique family atmosphere with friendliness and concern for others being an important part of the School's ethos, promoting Christian education and high academic and pastoral standards. All members of staff are expected to be in sympathy with the aims and ethos of the School.
